Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Applicants' representative stated that pendency was being maintained for the purposes of filing a continuation application under 37 CFR 1.53(b). Applicants are reminded that the filing of a continuing application is not a paper directed or placed in the file of the prior application and is not a "reply" to the last Office action in the prior application. Thus, a proper reply to the last Office action, a petition for an extension of time, and the fee set forth in 37 CFR 1.17 are required to be filed as a separate paper in the prior application. .
